Volume XLVI, No. 2, **February, 2017**

## Tuesday, February 28

### Program: Frogs on post cards

Anne Harris will be speaking about her collection of frogs on post cards.

- **6:30 seminar** about stamp collecting ideas. Kevin Dixon will lead a discussion about creative ideas on how he collects, mounts, and arranges stamps. Come and share your collecting tips.
- **7:00 meeting**, including the program and auction
- Goodies provided by the Millers

## Tuesday, March 14

- **6:15 Board meeting**
- **7:00 Stamp mixture meeting:** Purchase stamps from worldwide collections that the club purchased in the past year. Many of the stamps are in Scott International albums and there are also many covers. Good deals abound! There is a new mixture every month.

## Speakers wanted!

The club is always looking for speakers who are willing to give a program. Consider doing a short presentation about one of your collecting interests. Contact Jeff Wills to volunteer.

## Print your own stamp album pages

The club owns two disks that you can use to print off stamp album pages from any country that produces stamps. The pages look very professional and are an economical alternative to buying albums because they allow you to print just the countries that you collect. (For example, if you collect a few British colonies, but not all of them, you can print just the ones that interest you.) Pages can be printed on 8 1/2" x 11" paper (cardstock works great). Club members can borrow disks for free from Ken Rehfeld, but they must be returned by the next meeting.

## Share your ride! Do you need a ride?

Chuck Jones is our rides coordinator. Please call him at 321-7449 if you need a ride or can share one with another member.
