August 22 Meeting

Three ships on stamps, 1937 issues from Austria

7:00 Program by Myron Molnau, *Ships on Stamps*

Many US and worldwide stamps feature ships on stamps, and it is a very popular topical collecting specialty. Myron Molnau will give a presentation on ships on stamps at the August meeting.

Auctions

We will have both silent and live auctions with lots of new material after the program. Please come early if you are bringing items for sale in the live auction. Silent auction lots are listed on page 2.

September 12 Board Meeting and Stamp Mixture Night, 6:30 PM

Purchase stamps from mixtures and worldwide collections that the club continues to buy. The club just bought a new batch of albums to sort through at only 8 cents each or 175 for \$10. New material is added frequently.

Did You Know?

Club silent auction lots come from collections that the club buys and then breaks down for resale to our members. These auctions are a great way to add stamps to our collections at a reduced price. President J Palmer finds many of the collections and members of the Board and others help in preparing the auction lots for sale. Thanks to those who provide this great service to our club!
