## August 27 Meeting

### Program: Myron Molnau, *Dead Countries*

You may never heard of Ghadames, Epirus, or Livonia or many other countries or states/provinces that no longer exist or issue stamps. Other countries that once issued stamps might be more familiar: British Columbia, Newfoundland, and British Honduras, for example. While some of these stamps from dead countries can be expensive, there are many that are inexpensive and are easy to find.

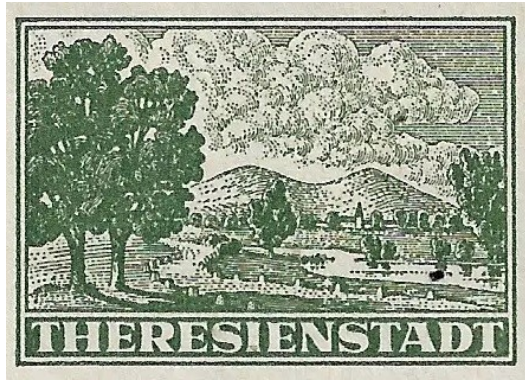

### Auctions

We will have both silent and live auctions with lots of new material after the program. Please come early if you are bringing items for sale in the live auction or simply want more time to examine the auction lots.

### September 10 Board Meeting and Stamp Mixture Night, 6:30 PM

Purchase stamps from mixtures and worldwide collections that the club continues to buy. The club just bought a new batch of albums to sort through at only 8 cents each or 175 for \$10. New material is added frequently.

### Are you familiar with the following “dead” countries that once issued stamps?
